Consultant | Researcher | Expert Witness |
Accreditation Evaluator

Independent third-party advisor with deep experience in compliance, oversight, and program evaluation across public, private, and nonprofit systems.

Standards-of-Care Analysis for Youth and Adult Residential Matters

Objective insight. Defensible work product. Serious support for counsel evaluating allegations in residential and congregate care environments.

FOREFRONT provides independent, evidence-based advisory support to law firms in matters alleging standards-of-care failures. We translate complex operating environments, regulatory expectations, policy frameworks, and accepted practices into clear, litigation-ready analysis designed to withstand scrutiny.

Independent assessments across complex operating environments.

\$100M+

CONTRACT OVERSIGHT

Experience evaluating performance, accountability, and compliance.

Independent

BY DESIGN

Objective analysis grounded in evidence and accepted practice.

How FOREFRONT Supports Counsel

- Pre-suit case screening and merits analysis
- Standards-of-care framework and expert opinion development
- Records review, chronology reconstruction, and incident analysis
- Licensing, regulatory, and policy compliance mapping
- Expert report support and deposition or trial preparation
- Corrective-action and risk mitigation advisement (non-legal)

Representative Case Experience

Doe v. EMQ FamiliesFirst

SACRAMENTO COUNTY, CALIFORNIA | 2017

Jury award exceeding \$12M in a matter involving negligent care and sexual assault allegations in a group home setting.

FOREFRONT's principal, Keith D. Carr, has served as an expert witness in matters involving standards-of-care analysis in residential care environments.

Sources: ProPublica (Apr. 17, 2017); The Sacramento Bee (Apr. 11 and Apr. 14, 2017); The Law Firm of Sean R. Laird case summary (Apr. 2017).

Settings and Allegations Evaluated

CARE SETTINGS

- Youth group homes and residential treatment programs
- Foster care and child welfare placement settings
- Juvenile justice detention, reentry, and contracted services
- Adult residential, behavioral health, and congregate care

COMMON ALLEGATIONS REVIEWED

- Supervision failures
- Staffing and training deficiencies
- Documentation and compliance gaps
- Abuse or assault prevention controls and response protocols

Why Law Firms Engage FOREFRONT

Counsel need more than broad commentary. They need disciplined analysis, clear framing, and defensible work product. FOREFRONT offers an independent perspective grounded in oversight, compliance, operational review, and accepted standards across residential care systems.

Our work is structured to help attorneys assess exposure, clarify facts, understand system performance, and support litigation strategy with credible, evidence-based insight.
